Dear Dereck

The Village of Swanton received your updated request for a water allocation for the Town of Swanton's Industrial Park "D" project. You have updated your request from 2,250 gpd to 203 gpd for water and do not need a wastewater allocation. The Village Board of Trustees approved the original allocation request on May 23, 2005.

Please be advised that this water allocation is still approved for the updated gallons per day.

Please contact me at 868-3397 or at [rbeliveau@swanton.net](mailto:rbeliveau@swanton.net) if you have any further questions.

Sincerely,

  
Reginald Beliveau Jr.  
Village Manager
